A little drabble in between!

"Kirk, stop it!"

"But Larsie ..."

"I hate it when you're staring at my neck like this!"

"But Larsie, I just ..."

"No. You are planning to bite me. I can see a certain lust in your eyes."

"You mean ... BLOODLUST?"

"Absolutely. I don't like this stare."

"Oh, come on Larsie!"

"GO AWAY!"

"But, sweetheart ..."

"Look inside the fridge, fucker, there are enough units of stored blood to get you filled up!"

"But baby, I wanna bite YOU."

"I fucking KNEW it!"

"Aawwww, you're so cute, Larsie ... Not THIS kind of bites ... Just some foreplay nibbles."
